

Veterans Day Shipment for the Marines

Deadline October 22, 2014

AAPA-OM has continued the Outreach Program to show our support for our troops. We have adopted the 2nd platoon of Alpha Company of the 1st Marine Division in 2009 and have continued to support this unit. They have been deployed several times to the mid-east and have been back in California training recently for their next deployment. We will be sending our adopted unit a care packages for Veterans Day this year no matter where they are and we encourage you to participate in our collection drive.

See the list of suggested donation items below. Please note that only non-expendable supplies and treats can be accepted. Please send donations to the address noted below by **October 22, 2014**. You can save shipping cost and send a check and I will purchase items for you.
